#### SKILLS

Expert – HTML, CSS, Javascript, React, Git version control,

Advanced – Sass, Typescript, OOP, Redux, Bootstrap,

Competent – jQuery, Node,

#### Key Skills:

Front-end Architecture, Debugging, Feature Designing and Update, Webpage designing and Optimization

#### Tools:

Redux, NPM, Trello, Slack, Jira, Babel, NPM, GIT, GitHub, Material UI, ANTD, Formik, Yup, unit testing, react testing, Jest, MySQL, Mongoose, Sequelize, MongoDB.

### PROFILE

A Software Engineer experienced and knowledgeable in software development, user interface design, frontend logic & implementation engineering, testing & debugging processes. Experienced in building scalable micro-frontend component architectures using javascript, react, and typescript. Proficient in using HTML, CSS, JavaScript, TypeScript, Bootstrap, jQuery, React, Redux, NPM, GIT, and other programming tools. I am a strong advocate of deep team collaboration using Agile methodologies and peer code review to stimulate team growth and team members' personal development.

### PROFESSIONAL EXPERIENCE

#### Software Engineer, Kominiti.

Jacksonville, Florida(Remote).

October 2021 to date

- Code architecture remodeling, codebase update & refactoring.
- User-interface(UI) & User-experience(UX) design implementation
- State Management with React hooks, Redux and Context API
- RESTful API implementation and AJAX data communication with the server.
- DOM manipulation and Object and Array Manipulation, Front End Pages Engineering, Logic & code Implementation.
- Front End Architecture and structure setup and implementation using libraries like Bootstrap, ANTD, and Material UI.
- React Form setup and implementation using libraries like Formik & Yup.
- Unit testing before creating PR using the Project CI/CD pipeline (Azure).

#### Software Developer, IVYARC Consultancy Ltd.

Lagos(Remote).

October 2020 to September 2021

- Troubleshoot Interface software and debugged application codes to improve functionality and performance;
- Developed and implemented front-end architecture to support user interface concepts with 100% accuracy;
- I worked in a team that developed a Learning Management System applied across various industrial sectors.
- Used various collaboration tools to interact with teams to achieve a seamlessly programmed application using Agile Methodologies.

## **SOFT SKILLS**

- Strong Leadership Skills
- Database Management Adaptability
- Critical Thinking and Problem Solving
- Interpersonal Skills
- Team collaboration
- Project and Public Presentation

## **REFERENCES**

*Available on request.*

### **Software Developer, Excellent and Strategic Solutions Ltd (CarrotSuite ERP).**

Lagos(Remote).

April 2020 – August 2020

- Determined the structure and design of the web pages based on user requirements through balanced functional & aesthetic strategies while optimizing for smartphones screen and other screens;
- Incorporated various other languages like HTML & CSS and other design tools into React to create user-friendly web pages and reusable code and components for maximum speed and scalability;

### **Web Developer, Finnblue Technologies Ltd.**

Ikeja, Lagos

June 2018 – November 2019

- Identified web-based user interactions and developed highly responsive user interface components via React concepts;
- Used various programming languages like HTML & CSS and other design tools with programming languages like JavaScript to create user-friendly web pages;
- Used various project management & collaboration tools like Trello, Jira, & Slack;
- Worked well independently and within a team setting;

## **EDUCATION**

---

### **BSc Physiology, University of Benin**

Benin-City, Edo

2010–2014

## **COURSES & CERTIFICATIONS**

---

### **Hackerrank Javascript Certification(Basic), HackerRank**

August 2022

### **Google Cloud Development, Google**

May 2022

### **Data Visualization, Free Code Camp**

May 2022

### **Front End Libraries Certification, Free Code Camp**

July 2020

### **Javascript Algorithms & Data Structures Certification, Free Code Camp**

Jun 2020

### **Responsive Web Design, Free Code Camp**

Sept 2019

### **Critical Thinking & Problem-Solving Skills, Almondsprings Consulting**

May 2019
